Excess Gas Charges
Winter is upon us which means its cold out there so as you turn your heat on, remember to be conservative. You will be charged for excess gas usage. You might want to grab a sweater or an extra blanket instead of turning the heat up too high.

**SNOW REMOVAL.** It is the responsibility of every tenant to promptly remove the snow from the sidewalk from the front and back doors to the main sidewalk.

If you have an extension cord hooked up to your car it is your responsibility to remove it before 8:00 a.m. **The Great Falls Housing Authority is not liable if your cord is damaged.**

**New Additions to Staff**
We have added a few new employees to our Staff. First off, in the Maintenance Department, welcome **Bill Courtnage**, who replaced Rick Tanner when he retired. He will be one of the guys on call when you have a work order or after hours emergency call. He is a great asset to our team! Then we move on to the Leasing Specialists—there is **Donna Randles** who replaced Linda Guinan after she retired. You may recall Donna working in the maintenance department but now she has moved onward and has become a leasing manager for Russell/Yeoman Tynes and will also take care of Section Eight and is doing a great job!

Then we have **Chris Peck** who replaced Casey More. Chris is the leasing manager for Austin Hall, Sunrise Court and Amp I. Chris has previous experience with low-income housing/leasing and has been a great asset for us!

We welcome all three new employees to our GFHA team!
